

# FREE school resource

## Risk and Protective factor survey

For more information go to [www.ohyes.ohio.gov](http://www.ohyes.ohio.gov)

- ✓ Online survey
- ✓ Easy to administer
- ✓ For Grades 7-12
- ✓ Quick – 15 to 30 mins
- ✓ Anonymous – no individual IDs
- ✓ Flexible – schools select grades, dates, classrooms, and versions
- ✓ Can be done annually
- ✓ Voluntary
- ✓ Passive parental consent (Opt out form provided)
- ✓ District/school results available to Superintendents and Principals
- ✓ County summary results available to the public

### Content areas:

- Demographics
- Bullying
- School Climate
- School Success
- Safety and Violence
- Mental Health & Suicide
- Alcohol
- Tobacco/Vapor Products
- Marijuana
- Prescription Drugs
- Illicit Drugs
- Parental and Peer Attitudes about Substance Use
- Physical Health & Well-being
- Gambling
- Community Environment
- Family & Peer Factors
- Sex-related questions (Optional)

### How Schools Can Use Results:

#### Planning

- Identify needs and trends
- Data to support observed behaviors
- Environmental Scan – what is in place to address needs
- Emergency Operations Planning – identified needs can become physical safety issues (i.e. bullying or drug use)

#### Partnering

- District behavioral health professionals (counselors, psychologists, nurses)
- Mental health & recovery boards, prevention agencies, health departments, job and family services, law enforcements

#### Implementation

- Universal, Selected, and Indicated behavioral health interventions
- Behavioral health impacts student growth and academic achievement
- Safety and Violence Prevention Training
